

TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE

**FISCAL NOTE**

**HB 2300 - SB 2328**

February 8, 2022

**SUMMARY OF BILL:** Requires a high school student who completes an early high school graduation program to be counted as enrolled in the local education agency (LEA) from which the student graduated for the remainder of the school year for purposes of calculating the LEA's average daily membership (ADM) or full-time equivalent (FTE) ADM.

**FISCAL IMPACT:**

**NOT SIGNIFICANT**

Assumptions:

- The basic education program (BEP) is the funding formula for Tennessee's K-12 public schools that is driven by student enrollment, as measured by ADM or FTE ADM, and generates funding across 46 components.
- Tennessee Code Annotated § 49-3-307(a)(1)(B) already requires that students who graduate early during the school year be included in the ADM for funding purposes. Therefore, the proposed legislation will not affect BEP funding.
- Because schools already include students who graduate early for funding purposes, the proposed legislation will not affect current practices.
- No impact to state or local government.
